**AN IMPORTANT MESSAGE ABOUT THE PRIVACY OF YOUR CUSTOMER
INFORMATION (CUSTOMER PROPRIETARY NETWORK INFORMATION OR CPNI)**

The protection of our customers' privacy is of utmost importance to the employees and management of the AT&T companies (AT&T)*. Please take a moment to read the following important message about the privacy of your customer information.

AT&T telecommunications carriers would like to share your customer proprietary network information within the AT&T companies for our own marketing purposes, including using that information to offer you additional products and services.

What is CPNI? Your CPNI includes the types of telecommunications services you currently purchase, how you use them and the related billing for those services. CPNI does not include your telephone number, your name or your address. Protecting the confidentiality of your CPNI is your right and our duty under federal law. As an AT&T customer, you can restrict the use of your CPNI even within the AT&T companies.

To allow AT&T to use your CPNI, no further action is required. AT&T will not use your CPNI to offer you other products and services until at least 33 days after this notice was mailed to you. AT&T and our authorized agents will not sell, trade or share your CPNI with anyone outside the AT&T companies, or with those authorized agents, except where required by law.

If at any time you would prefer that AT&T not use your CPNI to offer you additional products and services - you may call AT&T at 1 800 377-9290. Please note that you will have to call in for each telephone number for which you receive a separate AT&T bill.

Your decision to permit or restrict the use of CPNI will remain in effect until you decide to change it - which you can do at any time without charge. Restricting our use of your CPNI will not affect the provision of any AT&T products or services to which you currently subscribe, nor will it eliminate other types of marketing contacts.

*The AT&T companies are those AT&T companies that provide communications-related products and/or services, including the AT&T local and long distance companies, AT&T Corp., AT&T Long Distance, AT&T Internet Services, and other subsidiaries or affiliates of ATT Inc. that provide, design, market or sell these products and/or services.

CHECK CONVERSION

Paying by check authorizes AT&T to send the information from your check electronically to your financial institution for payment. Funds may be withdrawn from your account as soon as the same day your payment is received by AT&T. Through this program you will not receive your check back from your financial institution. If you choose to opt-out of AT&T's check conversion program, please call 1 800 231-2021.

Payment by Phone

Your AT&T phone bill can now be handled over the phone by electronic check. To make a secure electronic bill payment from your bank account, call AT&T Customer Service at the number located on the front of your bill. You will need to provide to our Customer Service Representative either your four-digit Personal Identification Number (PIN) shown by 'Customer Service:' on the first page of your AT&T bill, or the last four digits of the social security number associated with your telephone account. By providing your bank account information and PIN or social security number, you are authorizing AT&T and your bank or financial institution to process a one-time debit from your bank account for payment of your AT&T bill. Bill payment options are also available on our Website at www.att.com. Thank you for choosing AT&T for your communications needs.

Important Notice About Disputed Debts

Please note, any check or payment instrument in an amount less than the full amount due that you send to us marked 'PAID IN FULL' or otherwise tender as full satisfaction of a disputed amount, must be sent to AT&T Accounts Receivable Management, P.O. Box 198992, Section 22, Nashville, TN 37219-8992 and NOT the payment address shown on the payment return document. Thank you for choosing AT&T.

Returned Check Policy Notice
