AT&T BILLING GUIDE

To get answers to questions regarding partial month charges and other billing related topics, please view our interactive AT&T Billing Basics Guide at <http://www.att.com/billingbasics>.

CHECK CONVERSION

Paying by check authorizes AT&T to send the information from your check electronically to your financial institution for payment. Funds may be withdrawn from your account as soon as the same day your payment is received by AT&T. Through this program you will not receive your check back from your financial institution. If you choose to opt-out of AT&T's check conversion program, please call 1 800 231-2021.

Payment by Phone

Your AT&T phone bill can now be handled over the phone by electronic check. To make a secure electronic bill payment from your bank account, call AT&T Customer Service at the number located on the front of your bill. You will need to provide to our Customer Service Representative either your four-digit Personal Identification Number (PIN) shown by 'Customer Service:' on the first page of your AT&T bill, or the last four digits of the social security number associated with your telephone account. By providing your bank account information and PIN or social security number, you are authorizing AT&T and your bank or financial institution to process a one-time debit from your bank account for payment of your AT&T bill. Bill payment options are also available on our Website at www.att.com. Thank you for choosing AT&T for your communications needs.
