PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$17.59. Also, neglecting to pay for remaining charges may result in interruption or removal of these remaining services or further collection action.

CARRIER INFORMATION

Our records show that you have not selected a primary local toll or long distance carrier. Please contact us if this does not agree with your records.

TERMS OF SERVICE

As a result of a change in the law, Interstate IntraLATA access services including IntraLATA toll and Operator Services will no longer be governed by tariffs filed with the FCC. Beginning on August 13, 2008, the AT&T Service Agreement, for Residential Services you have already received, will now cover both your Interstate and Intrastate IntraLATA toll calling. Interstate IntraLATA Operator Services will also be covered by the AT&T Service Agreement. Your current terms, conditions and prices are not affected and can be found online at att.com/servicepublications. By subscribing to, continuing to use or pay for all AT&T Consumer Services, you will have agreed to be bound by the terms of the Residential Service Agreement and Interstate IntraLATA Guidebook. Such terms include your obligation to pay for services, limitations as to AT&T's liability, your rights as to disputing charges and other provisions. If you do not agree to the terms in the Residential Service Agreement, please contact us within 30 days and make arrangements to switch to another IntraLATA toll provider. If you need more information, please call an AT&T Service Representative at 1.888.757.6500 or visit us online at att.com/servicepublications. Thank you for choosing AT&T.
