News You Can Use

PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges **MUST** be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$13.19. Also, neglecting to pay for remaining charges may result in interruption or removal of these remaining services or further collection action.

CARRIER INFORMATION

Our records show that you have not selected a primary local toll or long distance carrier. Please contact us if this does not agree with your records.

DO NOT CALL REGISTRY

To reduce telephone solicitation calls to your home: Register for the National Do Not Call Registry by phone at 1.888.382.1222 (TTY: 1.866.290.4236) or online at donotcall.gov. There's no charge to register. Thank you for choosing AT&T.

RELAY SERVICE

Dial 711 is a Telecommunications Relay Service for customers with hearing and speech disabilities. AT&T offers products and services for customers with visual, hearing, speech or physical disabilities. For more information, please refer to the customer guide section in your AT&T telephone directory, or go to att.com. Thank you for choosing AT&T.

900 # INFORMATION

900 Number information services are provided over telephone numbers beginning with the prefix 900. You may withhold payment if you dispute these charges within 60 days. Action to collect disputed amounts will be suspended pending investigation of the dispute. Your local and long-distance telephone service cannot be suspended or disconnected for nonpayment of 900 charges. However, the company that provides the 900 service may take other actions to collect charges you have not paid and have not disputed. To protect customers from these unexpected charges, AT&T offers 900 Call Blocking. 900 charges incurred from purchasing products and services from the internet cannot be blocked. If you fail to pay legitimate charges for calls to 900 numbers, your access to 900 numbers may be involuntarily blocked. You are not to be billed for pay-per-call services that do not comply with federal laws and regulations. For further details on eligibility for no cost 900 Call Blocking, call your AT&T Service Representative. Thank you for choosing AT&T.
