

A BRIEF TABLE OF THE INTERPRETATION OF THE PROPRE NAMES which are chiefly founde in the olde Testamēt, wherein the first number signifieth the chapter: the seconde the verse.

WHereas the wickednes of time, and the blindnes of the former age hath bene suche that all things altogether haue bene abused and corrupted, so that the very right names of diuerse of the holie men named in the Scriptures haue bene forgotten, and now some strange vnto vs, and the names of infants that shoulde euer haue some godlie aduertisements in them, and shoulde be memorials and markes of the children of God receiued into his house. olde, hath bene hereby also changed and made the signes and badges of idolatrie and heathenish impietie, we haue now set forth this table of the names that be most vsed in the olde Testament with their interpretations, as the Ebrewe importeth, partly to call backe the godlie frō that abuse, when they shal know the true names of the godlie fathers, & what they signifie, that their children now named after them may haue testimonies by their very names, that they are within that faithfull familie that in all their doings had euer God before their eyes, and that they are bounde by these their names to serue God from their infancie & haue occasion to praise him for his workes wrought in them & their fathers: but chiefly to restore the names to their integritie, whereby many places of the Scriptures and secret mysteries of the holie Ghost shal better be vnderstand. We haue medled rarely with the Greke names, because their interpretation is vncertaine, & many of the are corrupted from their original, as we may also see these Ebrewe names set in the margent of this table, which haue bene corrupted by the Grecians. Now for the other Ebrewe names that are not here interpretate, let not the diligent reader be careful: for he shal finde them in places most cōuenient amongs the annotations: at least so many as may seme to make for any edification, and vnderstanding of the Scriptures.

The end of the table.

A PERFITE SUPPUTATION OF THE YERES AND TIMES FROM ADAM VNTO Christ, proued by the Scriptures, after the collection of diuers autors.

*The summe of the yeres of the
first age*

From Adam vnto Noes flood
are yeres 1656.
For when Adam was a 130 yere olde,
he begate Seth.
Seth being 105 yeres, begate Enos.
Enos being 90 yeres, begate Cainan.
Cainan being 70 yeres, begate Ma-
halaleel.
Mahalaleel being 65 yeres, begate
Iared.
Iared at the age of a 162 yeres, bega-
te Enoch.
Enoch being 65 yeres, begate Ma-
thufelah.
Mathufelah at the age of 187 yeres,
begate Lamech.
Lamech being 182 yeres, begate Noe.
Noe at the comming of the flood
was 600 yeres olde, as appeareth in
the seuenth of Genesis.
The whole summe of the yeres
are 1656.
From the said flood of Noe vn-
to Adrahams departing from
Chalde were 363 yeres, and ten
dayes.
For the said flood continued one

whole yere and ten dayes.

Sem (which was Noes sonne) bega-
te Arphaxat two yeres after that.
Arphaxat begate Salah whē he was
35 yeres olde.
Salah being 30 yeres olde, begate
Heber.
Heber at his age of 34 begate Pha-
lech.
Phalech being 30 yeres, begate Regu.
Regu being 32 yeres, begate Saruch.
Saruch being 30 yeres, begate Na-
hor.
Nahor being 29 yeres, begate Thare.
Thare being 70 yeres, begate A-
braham.

And Abrahā departed from Chal-
de when he was 70 yeres olde.

These said yeres accounted
are 363 yeres, & ten dayes.

From Abrahams departing frō
Vr in Chalde vnto the depar-
ting of the children of Israel frō
Egypt are 430 yeres, gathered as
followeth.
Abrahā was in Charran fue yeres,
and departed in the 75 yere.
He begate Isaac when he was 100
yeres olde, and in the 25 yere of his

departing.

Isaac begate Iakob when he was 60
yeres olde.

Iakob went into Egypt with all his
familie, whē he was 130 yere olde.

Israel was in Egypt 220 yeres, which
remaiue from that time.

Then rebate 80 yeres from this: for
so olde was Moyses when he cōdu-
cted the Israelites from Egypt.

So the reste of the yeres, that is to
say 130, are deuided betwixt Am-
ram and Chath.

Then Chath begate Amram at his
age of 67 yeres.

Amram being 65 yeres, begate Mo-
ses, who in the 80 yere of his age
departed with the Israelites from
Egypt.

So this supputation is the 430
yeres mencioned in the
12. of Exod. & the 3.
to the Galatians.

From the going of the Israelites
from Egypt vnto the first buyl-
ding of the Temple are 480 ye-
res, after this supputation and ac-
counte.

Moses remained in & desert or wil-
LLI. iii.

dernes 40 yeres.
 Iosue & Othoniel ruled 40 yeres.
 Aioth 70 yeres.
 Debora 40 yeres.
 Gedeon 40 yeres.
 Abimelech 3 yeres.
 Thela 23 yeres.
 Iair 22 yeres.
 Then were they without a captaine
 vnto the 18 yere of Iepthe.
 Iepthe 6 yeres.
 Abissam 7 yeres.
 Elom 10 yeres.
 Abaton 8 yeres.
 Sampson 20 yeres.
 Heli Iudge and Priest 44 yeres.
 Samuel & Saul reigned 40 yeres.
 Dauid was King 40 yeres.
 Salomon in the 4 yere of his reigne
 began the buylding of the Tēple.
 These are the 480 yeres men-
 cioned in the first of the
 Kings; & the 6 chap.
From the first buylding of the
 Temple vnto the captiuitie of
 Babylon are 419 yeres & an halfe.
 Salomon reigned yet 36 yeres.
 Roboam 17 yeres.
 Abia 3 yeres.
 Asa 41 yeres.
 Iosaphat 25 yeres.
 Ioram 8 yeres.

Ochafias one yere.
 Athalia the Quene 7 yeres.
 Ioas 40 yeres.
 Amasias 29 yeres.
 Ozias 52 yeres.
 Ioathan 16 yeres.
 Achas 16 yeres.
 Ezechias 29 yeres.
 Manasses 55 yeres.
 Amon 2 yeres.
 Iofias 31 yeres.
 Ioachas 3 moneths.
 Eliacim 12 yeres.
 Ioachim, Iechonias 3 moneths.
 And here beginneth the captiuitie
 of Babylon.
 The summe of these yeres are
 419 yeres.
Ierusalem was reedified & buyl-
 ded againe after the captiuitie
 of Babylon 143 yeres.
 The captiuitie continued 70 yeres.
 The children of Israel were deliue-
 red and restored to their fredome
 in the first yere of Cyrus.
 The Temple was begonne to be
 buylded in the 2 yere of the said
 Cyrus, & finished in the 46 yere,
 which was the 6 yere of Darius.
 After that Darius had reigned 20
 yere, Nehemias was restored to
 libertie, and went to buylde the

citie, which was finished in the 32
 yere of the said Darius.
 All the yeres from the buylding of
 the Temple againe are 16 yeres.
 The whole summe of yeres
 amount to 143 yeres.
From the reedifying of the ci-
 tie vnto the coming of Christ,
 are 483 yeres, after this supputatio
 or nombring.
 It is mencioned in the 9 of Daniel
 that Ierusalem shulde be buylt vp
 againe, and that from that time
 vnto the coming of Christ are
 67 weekes, & cuerie weeke is rec-
 koned for seuen yeres. So 67 wee-
 kes amount to 483 yeres. For from
 the 32 yere of Darius vnto the 42
 yere of Augustus, in the which
 yere our Sauour Christ was bor-
 ne, are iust and complet so many
 yeres, whereupon we reckon, that
 from Adam vnto Christ are 3974
 yeres, six moneths and ten dayes,
 and from the byrth of Christ vn-
 to this present yere, is 1560.
 Then the whole summe and nom-
 ber of yeres from the beginning
 of the worlde vnto this present
 yere of our Lord God 1560 are
 iust 5534, 6 moneths, and the said
 odde ten dayes.

The End.
